Dear Mr. Oakes,

The FBI will not give you any pictures of any of their people. In fact where they think they can get away with it they ever redact the names in the records they disclose. So you can't get one of Barrett that way. From the xeroxes of the pictures you sent seems to me it is not the same guy.

I've forgotten who Anthony Frewin is. I remember as I recall a Leslie Frewin, a London publisher who was drafting a contract to publish Whitewash when he was fed bad information and changed his mind.

Sorry I can't be of more help.

Best wishes,

Harold
